Product Information • The Steinburg Cubase 8 gives musicians and producers many opportunities to enhance audio.. Each instrument has over a thousand presets, so the process of designing trendy tracks is simple.. Not particularly an issue, just labeled incorrectly Here's the skinny: Cubase/Steinberg allow you, with a license for version (X) to download any previous versions (W, V, U, T, etc), but you must contact them for the direct download ISO.. This is also not Version 8 or even 8 5 This is, by default, version 9 5 (newest Cubase).. This is strictly a downloadable exe (iso) with a piece of paper that gives you your download access code.
